

Introducing the World's **FIRST**
Custom, Fully Digital & Removable

100% INVISIBLE HEARING AID

The invisible hearing solutions on the market so far, have been non-digital, non-custom and limited to a very small percentage of people with hearing loss.

WAIT NO LONGER!

With the **NEW** AudioSync iSync™ you will receive the most cutting edge hearing technology combined with a complete custom to your ear hearing aid that is 100% invisible!

AudioSync Audiology & Hearing invites you to come and explore the new Noise Tranquility technology featured in the 100% INVISIBLE iSync™. Come see for yourself how this tiny instrument provides the flexibility and unlimited connection to what's important in your life. We promise you'll be amazed. Call us today.

During your visit, we will offer you the following services FREE OF CHARGE!

1. Free Hearing screening by a Doctor of Audiology.
2. Personal Demonstration of the **NEW** Noise Tranquility technology from AudioSync, featured in the iSync™.
3. Free cleaning and analysis of any hearing system for current wearers.

Appointments are suggested, so please call today at **703.639.4644** to schedule your **FREE** hearing screening and demonstration.
